Profile

Hello everyone! I am Hanif Muflihul Anwar. You can call me Hanif. I live in Cilacap, Central Java. I have hobby Travelling. I am goal-oriented person. I have a DISC type personality is Dominance and the MBTI type is INFJ-A. I'm interested in User Experience, Business, Technology, Design, and Products. But, I am passionate about Products. I love to think of solving problems and developing ideas based on user experience. Therefore, I often attend seminars, take online courses, join competitions, and do various activities that support the improvement of my skills and knowledge.
